Workers are fighting for:

- ★ Allowing public employees to use sick leave upon retirement to pay for health insurance.
- ★ Allowing all public employees to use sick leave for donated leave purposes.
- ★ Granting all public employee retirees a one-time 3% cost-of- living pay raise.
- ★ Increase the \$60 per year increment pay to \$80 per year.
- ★ Increase the pay for all public employees to the Market Rate of pay per the DOP's current salary grades.
- ★ Grant public employees the right to collectively bargain.
- ★ Prohibit mandatory overtime in all state hospitals.
- ★ Recognize seniority rights for all public employees for the purposes of promotions, transfer, advancement, layoff, reduction in force and recall.
- ★ Require the state of West Virginia to annually disclose to its employees the right to evoke and request representation in pre- determination hearings, and to prohibit suspension without pay pending investigation.
- ★ Continue opposition to privatizing the Division of Highways and the state hospitals.
